Cloud Systemes

In the AIO CREATOR NEO Device Manager there are three different Tabs. *Gateways, Device* and *Cloud Systems*. In the Tab Cloud Systems, you can connect various cloud-based systems and devices to AIO CREATOR NEO. In order to connect Cloud Devices and Cloud Systems you have to set up the cloud access in the corresponding original system first, so that you have access data available. To use Cloud Systems valid mediola cloud services a required too.
